

Meet BTA's 2023-24 Volunteer Leaders

I am honored to begin my service as the 2023-24 president of the Business Technology Association (BTA). I look forward to leading our association as its 88th national president and helping our members continue to achieve success. Together, BTA's staff members and members of the BTA board comprise one of the best teams I have been a part of; I am confident we can be a bridge to new and exciting things for the BTA dealer channel. With that said, I would like to recognize and thank the following national and district volunteers who have stepped forward to help guide the association alongside me during the upcoming year:
